**Item 1. RESOLUTION AUTHORIZING AND DIRECTING THE MAYOR TO APPLY TO THE MARION COUNTY COMMISSIONERS FOR MONIES DERIVED FROM THE AUTOMOBILE LICENSE TAX, AND DECLARING AN EMERGENCY**

Engineer Bischoff explained that this resolution contains a list of streets that they COULD do. This is not a resurfacing list for the year. This gives them the flexibility later to see what fits best in their resurfacing program through funding and looking at the entire program. Annually, they have to apply to the county commissioners to certify streets that they could do in the following year to request reimbursement of the \$5 automobile license tax put into place in 1969. They usually do one to three or four from the list, about \$147,000 annually.

There is a municipal auto tax of \$10 that comes straight to the city.
