

MARION CITY PLANNING

ADDITIONAL STAFF COMMENTS GILL AVE. and ALLEY

3/15/2021

Based on maps and site visit, the following appears:

GILL AVENUE:

POWER: Pole on Gill

WATER: Water goes to Hydrant

STORM SEWER: Catch Basin and storm goes north

SANITARY: 8" Line

PAVING: Paved until the end of the street

ALLEY:

Only utilities appear to be:

STORM: Field tile in eastern segment of alley

SANITARY: Continuation of 8" and 6" line from Gill Ave.

PAVING or STONE: None. Alley is unimproved, BUT what is used as an alley is a stoned surface on lot 7441 designated as "ONE WAY" going west. Some of the stone might be in the alley, but, if so, not much, according to the tax map layered over the air photo.
