With a quorum present, Mr. Thomas called the meeting to order at 7:11 PM.

**New Business:**

**Item 1. RESOLUTION AUTHORIZING AND DIRECTING THE MAYOR OF THE CITY OF MARION, OHIO TO PREPARE AND SUBMIT AN APPLICATION TO PARTICIPATE IN THE OHIO PUBLIC WORKS COMMISSION STATE CAPITAL IMPROVEMENT PROGRAM AND TO EXECUTE CONTRACTS AS REQUIRED, AND DECLARING AN EMERGENCY**

Director of Public Works Bischoff explained that they have ten pages of sewer projects laid out. Annually they sit down with the sewer maintenance department, as well as areas that they have had to focus on for the last year. In conjunction with them, they select the projects to address for the year.

Daniels made a motion to recommend to council; Feliciano 2<sup>nd</sup>; Roll call: Ayes: Thomas, Feliciano, Daniels; Nays – none

**Legislation recommended to council (3-0)**

**Items not on the agenda:**

Mr. Daniels discussed the Goose Creek Ditch between Williamsport to Fairground Street. About 400 yards down track that looks like a culvert is 90% blocked. The area that flows in is from Nachurs and Ohio Galvanizing. This creates problems with the retention of zinc. He is a member of the Scioto Conservatory. They can remove the trees but cannot do other things. He asked about resolution to clean it or remove it. Bischoff said that they can at least clean it. He will have to access whether it is on a property that they could even go in and remove it. He will look at both options. Daniels said that the ditch could be “dipped”. The entirety is in city limits.

With no further business to come before this committee, Mr. Thomas adjourned the meeting at 7:20 PM.
