# Volunteer of the Month

## MEET CAROL BURLEY

By Tim Frericks

If variety is the spice of life then Carol P. Burley, our volunteer of the month, has already had a rich, notable and rewarding life. She has an adventurous spirit that has enabled her to experience many different opportunities in her personal life and in her career.

Carol was born in Providence in 1944. Later her family moved to Detroit and eventually she earned an undergraduate degree from Albion College and a masters degree in Human Resource Development from Xavier University. Her career focus on education, both of a guidance counselor nature and a classroom nature has taken her to a variety of locations from Wilkes-Barre/Scranton, Pa. to Detroit to Cleveland to Philadelphia to Baltimore to Marion. Much of her work at these venues involved assisting students with learning disabilities.

Along the way Carol also obtained a Certificate from Kent State University allowing her to be employed at Tri-Rivers Career Center as a Career Assessment Specialist. These specialists help identify and recommend possible careers for students by analyzing their interests and strengths. She retired from Tri-Rivers in 2006 and that allowed her to spend more time at the Center where she volunteers as a "Greeter" every Thursday from noon to 3:00 pm. She also had more time to indulge her love of board games and card games.

Carol has one sibling, Bob, who lives in Florida. Unfortunately, Carol became a

widow in 2008 with the death of her husband, Larry Burley, whom she had just married in 2005. Carol has children from prior marriages: Trish, living in Bexley, Ohio and Suzanne, living in Seattle, Washington. Also she is the proud grandmother of five grandchildren including Eva, age 13, Alex, age 11, Lily, age 7, Liam, age 8 and Jacob, age 5.

As for Carol's non academic activities she has taken a trip to the Mediterranean area and traveled to China on a trip sponsored by the Marion Area Chamber of Commerce. Additionally, her volunteerism demonstrates her varied interests as she is an usher and ticket taker at the Marion Palace while the Ohio State University benefits from her membership in the Buckeye Backers.

It is not too strong of a statement to say that Carol has taken advantage of a variety of experiences and opportunities along her life's journey.
